

WORLD AIDS CAMPAIGN
2001

*I care...
do you?*

"In my travels around the world, I've heard people speaking about AIDS in every language under the sun. If each one of us speaks out, we will overcome this epidemic together."

Denise M. Quiñones August
Miss Universe 2001

"Do your part and educate people in your own community starting with friends and family; the message will spread all over the world."

Jessica Fel, peer educator
